

Welcome to the Magical World of Fairy Gardens. As you leaf through the pages of this gorgeous book, you'll discover images of fairy gardens which Teelie Turner has created in the past. She hopes that you'll be inspired by their beauty and that you have a fun time imagining what your fairy garden might look like should you decide to create one in the future. Or perhaps you already have an amazing fairy garden, and these will be magical images to remind you of why you love the miniature world so much.
