

INTRODUCTION

Teelie Turner had so many incredible photos that she needed to put out two volumes of her 'A Beautiful Look at Autumn...Through the Eyes of a Fairy Garden.' This incredible book will give you a glimpse at incredible fairy garden scenes from past autumns. What do you think of when the words fall, or autumn come to mind? Is it beautiful leaves in tones of red, yellow, and orange brightening the scenery before they fall from the trees, to be enjoyed by children in huge piles? As you peruse the pages of this magical book, you'll get a chance to see some majestic fairy garden scenes. Find a comfortable seat, a warm beverage perhaps with a taste of autumn apple or pumpkin spice and settle in to enjoy the beauty that fairy gardens can bring to your life.
